

Please just disregard this entirely if it is nonsense to you.

I hope that it will assist to explain matters.

There was one girl never mind her name, whatever from L.A. etc...

And I saw something incredible from you upon glancing at your photograph or what that was, but yes it caused me to feel entirely and completely to back as to being just in the way that I was prior to a few months ago.

Idk. What the fuck is going on? If you know any thing, tell me. Or something you've already.

I will smoke pot this assists.

Augh. I know who did it now.

Not sure what to do at this stage, if
