

## **IT WAS ALL WARNING!!!**

The dead planet, or walking dead. Et cetera.

Why she couldn't tell me straight out, I suppose I know why.

So, it is exactly as I'd foresaw to occur by surprising enough of a delay now, the second massive extinction event.

So the most suitable means to handle such a deserving effort is by enacting my original-most plan to for the evolution of a scenario such as what lays ahead of us all. The circus catastrophe.

Step 1: Walk to the middle

Step 2: Collect the pebble

Step 3: Vamoose.
