

So to the best capacity of my ability to see;

'She' wanting to destroy the universe was Melanie. I assume 'Craig' and herself were/are working together. But her and I were also working together.

For all I know everything may be fine just now...
I am feeling fine, so perhaps this is the way of it all.

Apologies for instructions in the inverse in time was mentioned in Meeting Room 21.
First thing I'd seen was a hydrogen bomb destroying everything. Enough said.

And that is where the 's' comes into it.

Recorded here in writing so as to not forget.

EVERY THING THROUGHOUT MY LIFE IS LOL.

Like-

The eighty grams of phenibut, myself within myself but wanting to kill myself. LOL.

I guess [know] it is true as Hunter Stockton Thompson says, that the only people who know the edge, are those who've gone over.

Side notes:

-Me being unhappy destroys my 'armour'.

-Return to studying, reading, doing activities and partaking in things in general which bring me happiness.
