The bible itself, although never having ever have had read the written work in my life, not beyond a few pages here and there, is all. Well, i've since come to make connections between its having been wrote than for a time much, much, far fucking greater and longer down the progressing movement on time to the future. Time fascinates me. It'd always. Another shitpost for another time.

The bible and etc!!!

It is all fucking metaphorical!!!

Noah knew it was going go flood?

Well i took a locomotive commute into melbourne one late afternoon i would say this judging due to the temperature of the sun's light at the time of my arrival there.

Well- i couldn't stop myself from laughing. Seemed many were enjoying themselves.

Exciting times...

Melanie used my mind, to write something good.

She said it.

The confusion was all only because of the whole fuck it seemed that she led me back to where [a character residential address being 156 mills street, altona north. On purpose, though i do not believe that she did. Or was involved in with the attempting to cause any detriment or harmful action to myself, nor would she ever:

We were a team to achieve what had been accomplished

What was the intention of ever leaving without my personal deciding on doing so for some reason in particular... so sure i was haunted out of my apartment, with nonsense which resembles something i'd seen 'kids' doing.

I wish it could all be left behind. Sick of wasting time, and producing almost no useful work which is of useful purpose to our earth, in transmigrating us from these dark-ages.

Or whatever. Each to their own.

People like different sort and forms and methods, and mechanisms of achieving whatever.

Rip: carl sagan. And ... never mind.

I feel sane although i **need** 60grms of psilocybin mushrooms, half to start, and enjoy the remaining along the wander.

I need dimethyl tryptamine, the fumerate salt..? (review)
